REMARKS

Claims 7-11, 18, 21 and 22 have been allowed, and Applicants gratefully acknowledge the Examiner's allowance of these claims. The remaining claims, claims 3-5, 16, 17, 19, 20, 23-25, 28, 29, 31-33, 35, and 39 have been rejected. Although Applicants disagree with the Examiner's arguments and traverse the claim rejections, in order to expedite allowance of this application for issuance of a patent, Applicants cancel the rejected claims without prejudice. Accordingly, the Examiner's rejections to the claims are moot, and this application is in condition for allowance. Applicants reserve their right to bring the canceled claims in any continuation or continuation-in-part applications that may be filed.
